Three British companies (the British and Foreign Marine, the Marine and the Ocean Marine), are licensed to carry on the business during of inland marine insurance and the business of insuring registered mail matter in transit from place to place in Canada, and all three did inland marine business during 1907.

The loss rate for 1907 (52·41) is much below the average for the thirty-nine years over which our records extend.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 54·02 per cent, which is 7·29 per cent greater than the 46·73 of the previous year, and is 9·72 per cent less than the average for the last fifteen years (63·75). The following are the rates of incurred losses from 1893 :—

The corresponding rates for 1882-3-4-5-6 7-8-9-90-1-2-3-4-5-6-7 8-9-1900-1-2-3-4-5-6, are \$5.68, \$5.56, \$5.37, \$4.54, \$5.48, \$5.70, \$4.70, \$4.19, \$4.84, \$5.33, \$5.61, \$3.17, \$5.50, \$5.75, \$5.15, \$5.38, \$6.20, \$4.99, \$3.38, \$3.68, \$4.06, \$5.22, \$12.05, \$4.88 and \$4.97 respectively.

BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$9,302,906, being an increase of \$701,532, as compared with the previous year; the payments for losses were \$5,073,985, being \$1,244,741 greater than for 1906; while the general expenses amounted to \$2,689,717, being \$215,348 greater than in 1906 thus showing balance of \$1,539,204 favourable to the companies. In the previous year there was a favourable balance of \$2,297,761.

Total.....	\$	7,763,702

The following detail gives the balance for the different companies:—

Balance in favour.—Alliance, \$3,054; Atlas, \$62,021; Caledonian, \$63,433; Commercial Union, \$137,806; Guardian, \$127,685; Law Union and Crown, \$31,349; Liverpool and London and Globe, \$107,841; London and Lancashire, \$116,922; London Assurance, \$21,773; North British and Mercantile, \$81,433; Northern, \$87,592; Norwich Union Fire, \$134,347; Phoenix of London, \$210,683; Royal, \$118,053; Scottish Union and National, \$105,001; Sun Fire, \$44,146; Union Assurance, \$54,359; Yorkshire, \$31,706. Total balance in favour, \$1,539,204.

7-8 EDWARD VII., A. 1908

For every \$100 of premiums received there was spent on the average \$54.54 in payment of losses and \$28.91 for general expenses.

In 1906 the loss rate was \$44.52 and the general expenses \$28.77 for every \$100 of premiums received.

For the fire business the rate of premium was \$14.830 per \$1,000 of risks taken, as against \$15.155 in 1906.

Hence these companies have done a larger volume of business than in 1906 at a lower rate of premium, a slightly higher rate of expense, and at a higher rate of loss.

Collecting the result for the thirty-three years from 1875 to 1907, as regards the receipts for premiums and the expenditure of the British companies, we find :—

Paid for losses (1875-1907).....	\$ 99,480,896

	<hr/>
Total payments.....	\$ 140,867,168

It will be seen, from an examination of the table given below, that an adverse balance was in existence from the year 1877 till the end of the year 1886, due to the exceptional circumstances of the conflagration at St. John in the first mentioned year—when the losses paid by British companies amounted to almost five millions of dollars; that such adverse balance was reversed at the end of the year 1887, when a favourable balance of \$341,938 was shown, and that this favourable balance increased thereafter, from year to year, (with the exception of the year 1893) up to the close of 1899 when it amounted to \$5,029,980. In 1900 the loss by the British companies on account of the Ottawa and Hull conflagration amounted to over two and a half million of dollars. To this is due the large deficit of the year, \$1,365,476, wiping out the savings of the preceding four years, and reducing the favourable balance at the end of 1900 to \$3,664,504, which sum had been still further reduced to \$3,512,636 at the end of 1901. The favourable experience for the years 1902 and 1903, increased this balance to \$7,123,044 at the end of 1903, but it was again reduced by the unfavourable experience of 1904 to

£3,969,472. During the past three years the favourable balance has been largely increased and now amounts to £10,352,872.

+ Favourable. - Adverse.

As the reports of the general business of the British companies, which are appended to their several statements, are made up in a form not readily understood, except by an expert, I have this year, as in previous years, made an approximate analysis of them which will be found on page xcii. Only two or three of these companies profess to make any special provision for the liability under the head of 'Unearned Premiums,' but they set aside a certain sum under the title of 'Fire Fund,' which is held to meet future contingencies, and is charged against the company as a liability. I have taken 60 per cent of the annual revenue from premiums as a fair approximation to the exact *pro rata* of the premiums on unexpired risks, which forms the basis of the item in our returns for Canadian business. Also, in cases where life assurance is combined with fire (the assets of these branches being required by the Imperial statute to be kept separately) I have omitted the life business entirely, considering that the life funds are more than sufficient to cover the liabilities in this branch, and thus making the results, as regards paid up capital, less favourable to the companies.

AMERICAN FIRE COMPANIES.

The receipts for premiums (including the inland marine business of the *Ætna* Fire and the Insurance Company of North America and the tornado business of the *Phenix* of Brooklyn) were \$3,158,632; the payments for losses, \$1,583,391, and the general

CANADIAN FIRE COMPANIES.

In considering the Canadian Companies, their whole fire insurance business, in Canada and elsewhere, as well as their whole marine business, must be taken into account, inasmuch as a separation of expenses between these branches has not been made.

The following table gives the distribution of fire business between Canada and elsewhere, for the twelve companies transacting business outside of Canada, and shows that the home business was, on the whole, more favourable to the companies than the foreign business.

The assets of the twenty Canadian companies doing fire business amounted, at the end of the year to \$10,700,238, covering a total amount of insurance of all kinds of \$992,583,837, being at the rate of \$10·78 for every \$1,000 of insurance in force; they have also a subscribed capital not called or not paid up, amounting to \$2,906,637, making a total security of \$13·71 for every \$1,000 insured. The liabilities of the same companies amounted to \$7,648,032, made up as follows:—

SESSIONAL PAPER No. 8

The unearned premiums are here taken to be the *pro rata* proportions of the gross premiums for the time unexpired in the cases of Fire and Inland Marine insurance, and the whole premiums in the case of a current Ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the subscribed capital not called up, amounts to \$3,052,206.

The capital stock of these companies paid up or in course of payment, amounts to \$5,710,503.

The following table gives the condition at the end of 1907 of all the Canadian stock companies in reference to the surplus on account of policy-holders.

7-8 EDWARD VII., A. 1908

Including the whole business of the mixed companies, outside as well as within the Dominion, it appears that the Canadian companies have received during the year 1907, a total cash income of \$8,921,386, which is made up as follows :—

	1907.	The same in 1906.	The same in 1905.	The same in 1904.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.

Total.....	8,921,386 05	9,378,892 00	8,353,954 52	8,548,486 29

In the same way the cash expenditure during 1907 has been \$9,033,215, distributed into :—

	1907.	The same in 1906.	The same in 1905.	The same in 1904.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.

Total.....	9,033,215 14	9,953,840 53	7,820,027 20	9,667,657 38

Thus it appears that for every \$100 of income there has been spent \$101.25, namely : for losses, \$64.85 ; for general expenses, \$35.34 ; and for dividends to stockholders, \$1.06. Hence, also, for every \$100 of premiums received there has been paid out \$67.34 for losses, \$36.69 for expenses, and \$1.10 for dividends to stockholders.

The amount expended in the respective years, and their distribution under proper headings, are given in the following table:—

INLAND NAVIGATION AND OCEAN INSURANCE, 1907.

Inland marine insurance is carried on in Canada by two Canadian companies (the British America and the Western), and to a very limited extent by two American companies (the Ætna Fire and the Insurance Company of North America), and three British companies (the British and Foreign Marine Insurance Company, the Marine Insurance Company and the Ocean Marine Insurance Company). Ocean business is transacted by the two Canadian companies, but the greater part of this business is transacted by companies which are not required to be licensed, and do not report to this Department.

The figures given below include the Canadian inland marine business of the two American companies and the three British companies, and the whole inland marine and ocean business done by the two Canadian companies.

INLAND MARINE.

The premiums received amounted to \$408,088, the losses incurred to \$299,899, and the losses paid to \$360,273. At the end of the year the losses unsettled were \$99,633.

The inland marine business has been unfavourable, as was also the case in the year previous. The losses incurred amounted to 73.49 per cent of the premiums received. The rates for 1905 and 1906 were 106.66 and 99.52 respectively.

OCEAN MARINE.

The premiums received amounted to \$604,784, the losses incurred to \$533,782, and the losses paid to \$590,235. At the end of the year the total outstanding or unsettled losses were \$56,088.

In the ocean business the rate of losses incurred to premiums received was 88.26 per cent, whilst in 1905 and 1906 the rates were 82.65 and 94.21 respectively.

An abstract of the inland marine business will be found on page xci. and details of this and the ocean business for the individual companies on pages lxxxviii and lxxxix.

LIFE INSURANCE, 1907.

The business of life insurance was transacted by forty-three active companies, of which twenty-four are Canadian, eight British and eleven American.

Insurances Effected during the Year.

The total amount of policies in Canada taken during the year 1907 was \$90,382,932 which is less than the amount taken in 1906, by \$4,630,273. The Canadian companies show a decrease in 1907 of \$611,487, whilst in 1906 they had decrease of \$5,088,888 : the American companies have a decrease of \$3,048,103, whilst in 1906 they had a decrease of \$6,395,689 : and the British companies have a decrease of \$970,683 whilst in 1906 they had an increase of \$590,446, the total decrease in 1907 being \$4,630,273, as above stated.

The respective amounts effected are :—

Canadian companies.....	\$ 61,838,766
British ".....	3,501,743
American ".....	25,042,423

So that the amount taken by native companies exceeds that taken by the British and American together by nearly \$33,300,000.

The total amount of insurance in force in Canada at the close of the statements was \$685,405,399, which shows the large increase of \$29,144,299 over that of the previous year being distributed as follows :—

SESSIONAL PAPER No. 8

Amount of Insurance terminated in 1907.

The amount of Insurance terminated in natural course, namely, by death, maturity or expiry, was \$11,272,899, which is greater by \$1,072,953 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$52,843,193, being less than in the previous year by \$3,936,567.

Relatively to the amounts at risk the amounts so terminated do not differ to any material extent from those of the previous year, giving for every \$1,000 of current risk \$16.07 terminated in natural course and \$75.33 by surrender and lapse, making a total of \$91.40. In the year 1906, these rates were \$15.05 and \$83.76 respectively, making a total of \$98.81, thus giving a difference of \$7.41 for each \$1,000 at risk.

The following table exhibits the rates for the last six years :

DEATH RATE.

In the calculation of the death rate this year, as in previous years, the mean number of policies in force and the number of policies terminated by death during the year have been admitted as approximations to the mean number of lives exposed to risk and the number of deaths during the year respectively. It is believed that the results arrived at represent the actual mortality among insured lives in Canada as accurately as can be gathered from the returns of the companies.

Canadian Companies.

The assets and liabilities, income and expenditure, of the Canadian Life Companies will be found exhibited in the statements under their respective headings at pages cxiii, cxiv, cxix and cxxii. The tables of mortality employed by the various companies in the calculation of their reinsurance reserve are shown in the table on page cxii.

From tables on page cxix and referred to, it will be seen that the Canadian companies have received an income of \$26,092,904.91 drawn from the following sources:—

Premiums and annuity sales.....	\$ 20,223,264	13
Interest and dividends.....	5,519,196	38
Sundry.....	350,444	40
Total.....	\$ 26,092,904	91

7-8 EDWARD VII., A. 1908

And they expended \$14,847,024.37 under the following items:—

Paid to policy-holders and annuitants.	\$ 8,551,233.29
General expenses	6,022,904.79
Dividends to stockholders.	272,886.29
	<u>\$14,847,024.37</u>

Hence out of every \$100 of income they have expended in payment to policy holders \$32.77; in general expenses, \$23.08; and in dividends to stockholders, \$1.05 leaving \$43.10 to be carried to reserve.

By reference to the table at page cxiii, it will be seen that the total assets at December 31, 1907, of the Canadian life companies other than assessment and fraternal companies (including \$5,742,675 outstanding and deferred premiums, interests and rents due and accrued which have not as yet gone into income) amount to \$125,178,215, an increase over the corresponding amount at the end of the year 1906 of \$10,617,382.

The amount of risks in force has increased during the year from \$521,188,267 to \$561,329,618, a gain of \$40,141,351, and the reserves have increased from \$101,046,050 in 1906 to \$119,790,247 in 1907, an increase of \$9,744,197.

The following table gives the premium and other income of the Canadian companies other than assessment companies, during the past twenty-nine years, and also the payments to policy-holders for general expenses and for dividends to stockholders during the same period.

ASSESSMENT LIFE INSURANCE, 1907.

The business of insurance on the assessment plan has been carried on by four Canadian associations reporting to this office, three of them being fraternal societies, and the other the Commercial Travellers' Mutual Benefit Society.

The total amount of policies taken in Canada during the year 1907 by the four Canadian associations above referred to was \$13,665,546, which is less than the amount of assessment policies of these associations taken in 1906 by \$834,954, and the net amount in force at the end of the year was \$144,274,026, which is greater than the amount in force at the end of 1906 by \$990,276. The amount of the insurance terminated by death was \$1,416,840, and by surrender and lapse, \$10,406,266. The total terminations amount to 86.52 per cent of the amount of new policies.

The details of individual companies will be found on pages cxxx and cxxxii.

The total amount paid by members for membership fees, annual dues, assessments, &c., was \$1,910,327, and the amount paid for death claims was \$1,524,200.

Details of the assets and liabilities, income and expenditure will be found on pages cxxxiii and cxxxiv.

ACCIDENT INSURANCE, 1907.

Accident insurance may be subdivided into two classes, viz. :—*Employers' Liability Insurance and Personal Accident*, both of which are covered by an accident license.

7-8 EDWARD VII., A. 1908

The business of accident insurance was transacted by seventeen companies, viz:— 10 Canadian (all of which combined it with sickness insurance, one with plate glass insurance, one with steam boiler, one with personal property and three with guarantee insurance); 3 American (one of which combined it with life, and one with sickness and steam boiler insurance, and one with sickness and burglary guarantee insurance,) and 4 British (three of which combined it with guarantee business and all with sickness insurance.)

EMPLOYERS' LIABILITY.

Of the seventeen accident companies, thirteen transacted Employers' Liability Insurance, viz.:— 7 Canadian, 4 British and 2 American.

The total premiums received for this class of risks was \$908,998, and the losses paid amounted to \$467,327 with unsettled claims outstanding to the amount of \$250,672.

An abstract will be found at page cxi.

PERSONAL ACCIDENT.

All the accident companies transacted personal accident business, the total premiums for which were \$1,382,077, insuring amount of \$244,065,883. The claims paid amounted to the sum of \$510,450, and there were outstanding at the close of the year unsettled claims amounting to \$141,507.

An abstract will be found at page cxxxix.

GUARANTEE INSURANCE, 1907.

Guarantee business was transacted by ten companies, four of which are Canadian three British and three American.

The total premiums received were \$224,416, guaranteeing an amount of \$72,612,309 and the net amount paid for claims was \$31,040, with unsettled claims amounting to \$51,862 outstanding at the end of the year.

An abstract will be found at page cxxxviii.

The Guarantee Company of North America transacted business outside of the Dominion which is not included in the above.

CONTRACT INSURANCE.

Two companies, both American, are licensed to carry on a class of business which is not defined in the Insurance Act, but which is particularly described in the licenses of the companies concerned, and may be known as the business of guaranteeing and becoming security for the due performance of any office, trust, contract or agreement, executing and guaranteeing bonds, undertakings and obligations, including appeal and other bonds in legal actions and proceedings.

The premiums received in 1907 amounted to \$19,214 and losses to the amount of \$238 occurred and were paid. An abstract will be found at page cxli.

SICKNESS INSURANCE.

The business of sickness insurance has been carried on by sixteen companies, viz., two American, four British and ten Canadian. Seven of the companies combine it with accident insurance, six with guarantee and accident insurance, one with accident and

SESSIONAL PAPER No. 8

plate glass insurance, one with accident and steam boiler insurance, and one with accident and burglary guarantee.

It appears, however, that sickness insurance not in combination or in conjunction with accident risks has been carried on only to a very limited extent, and returns of the premiums received in respect thereof and losses paid, &c., have not been made to this department.

In addition to the sixteen companies above referred to, four fraternal societies, licensed by this office, viz.: the Supreme Court of the Independent Order of Foresters and the Subsidiary High Court of the Ancient Order of Foresters, the Canadian Order of the Woodmen of the World, and the Catholic Mutual Benefit Association, pay sick benefits to such of their members as stipulate therefor in the application for membership. In the case of the Ancient Order of Foresters these benefits are paid partly through the lodges and partly by the Subsidiary High Court.

It is proper to mention here that the Act which authorized the Canadian Order of the Woodmen of the World to maintain a sick and funeral benefit fund (Chapter 206 of the Statutes of 1903) provides that such fund shall never be less than the legal reserve calculated as in Section 5 of said Act specified, in respect of all existing certificates, policies, or other instruments providing for the payment of sick or funeral benefits. The fund as shown by the Society's last statement amounted at 31st December, 1907, to the sum of \$4,467.96. The sickness business as at the same date has been valued according to the I. O. O. F. Manchester Unity (Whole Society) Sickness Experience and a rate of $3\frac{1}{2}\%$ interest and the reserve thereon amounts to the sum of \$1,718. The funeral benefits have also been valued as at the same date on the basis prescribed by the Insurance Act, the reserve thereon amounting to \$1,004; making the total reserve in respect of the Society's sick and funeral benefit branch the sum of \$2,722.

PLATE GLASS INSURANCE IN CANADA, 1907.

The business of plate-glass insurance was transacted by five companies, viz.: 2 Canadian (one of which combined it with accident insurance), one British and 2 American.

The companies having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for plate-glass insurance were \$118,291, being less than the amount received the previous year by \$2,065, and the total losses incurred were \$52,856, being \$2,177 greater than the amount incurred in 1906. An abstract will be found at page cxli.

BURGLARY GUARANTEE INSURANCE, 1907.

This branch of insurance, which is transacted to a considerable extent in Great Britain, was introduced into Canada fifteen years ago. On June 14, 1893, a license was issued to the Dominion Burglary Guarantee Company (Limited), now the Dominion Guarantee Company, Limited, whose head office is at the city of Montreal, to transact the business of guaranteeing against loss or damage by reason of burglary or

7-8 EDWARD VII., A. 1908

house-breaking, and guaranteeing against loss of jewellery, bullion and other moveable property deposited with it for safekeeping. This company, which was incorporated by an Act of the Parliament of Canada, assented to on April 1, 1893, was, at Dec. 31, 1904, the only company licensed by this department to carry on the business of burglary guarantee insurance in Canada. On May 15, 1905, a license was granted to an American company, The Fidelity and Casualty Company of New York, to transact this class of insurance, which was carried on during the year 1907 by these two companies. The total premiums received amounted to \$44,183, and the losses paid to \$15,714. An abstract will be found at page cxi.

STEAM BOILER INSURANCE.

This class of business was carried on by three companies, two Canadian and one American. The total premiums received amounted to \$86,777, and the claims paid to \$12,884, with unsettled claims outstanding at the end of the year amounting to \$657. An abstract will be found at page cxi.

PERSONAL PROPERTY INSURANCE.

This branch of business was carried on by three companies, two Canadian and one American. The total amount of premiums received during the year was \$9,493, and the losses paid amounted to \$1,756. An abstract will be found at page cxi.

TITLE INSURANCE.

A license has been granted to the Title and Trust Company to transact the business of "Title Insurance" as defined in the Company's Act of Incorporation, that is to say "guarantee the title to, or the quiet enjoyment of, property, either absolutely or subject to qualifications and conditions, and to guarantee any person interested in or about to become interested in, or owning, or about to purchase or acquire any real property, against any losses, actions, proceedings, claims or demands by reason of any insufficiency or imperfections or deficiency of title or in respect of encumbrances, burdens or outstanding rights; and to guarantee the due payment of the whole or part of any loan, advance, mortgage or claim, hypothecary or otherwise, or the interest thereon."

The total premiums received during the year amounted to \$314 and there were no claims incurred.

LIVE STOCK INSURANCE.

A license was on the 18th day of May 1908 issued to the Yorkshire Insurance Company for the transaction of the business of Live Stock Insurance in combination with the business of Fire Insurance.

At the present time there are one hundred and thirty-three (133) companies under the supervision of this office. The nature of the business transacted by them is as follows:

SECURITIES OFFERED FOR DEPOSIT BY INSURANCE
COMPANIES, &c., &c.

The following extracts from Orders in Council, Minutes of the Treasury Board, &c. (all of which excepting Treasury Board minute of June 5, 1908 have been previously published) are here collected for convenience of reference :—

Particulars of Securities offered for Deposit.—All applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for acceptance under the following headings, viz :—

‘Date, date of maturity, place of payment of principal, rate of interest, how payable, *i.e.* yearly or half yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date of such purchase.

‘Also as regards municipalities whose bonds or debentures are offered :

‘The population, assessed value, rate of taxation, assets, total debenture indebtedness, and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

‘The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration.’ (T.B., Nov. 9, 1888.)

Railway Debentures.—‘The Board are of opinion that they cannot accept as a deposit the bonds of any railway company, unless guaranteed directly or indirectly by the Canadian government.’ (T.B., Oct. 27, 1890.)

Loan Companies’ Bonds.—The Board had under consideration a memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies’ Association of the province of Ontario to have the debentures of loan companies accepted by the government as deposits on behalf of insurance companies in which he reports that the said association is composed of incorporated loan companies or societies authorized to lend money on real estate in the province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees ; that the loan companies which compose the said association may be divided into the following classes :—

I. ‘Companies incorporated under the provisions of the statute of the province of Canada, 9 Victoria, chap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, included in chapter 169 of the Revised Statutes of Ontario (1887), and commonly known as the “Building Societies’ Act.”

II. ‘Companies incorporated under the “Canada Joint Stock Companies’ Act, 1877,” now known as the “Companies’ Act,” being chapter 79 of the Revised Statutes of Canada (1906).

III. ‘Companies incorporated under special Acts of the Legislature of the province of Canada or of the Parliament of the Dominion of Canada.’

IV. ‘Companies incorporated under the “Ontario Joint Stock Companies’ Letters Patent Act, 1874,” being chapter 150 of the former and chapter 157 of the last Revised Statutes of Ontario.’

V. ‘Companies incorporated under the English Companies’ Act, and licensed to transact business in Canada under 37 Victoria, chapter 49, being chapter 125 of the Revised Statutes of Canada.’

7-8 EDWARD VII., A. 1908

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, direct that the debentures and debenture stock of such companies, belonging to the said association, as meet the requirements hereafter set forth, may be accepted as deposits on behalf of the insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however, to exceed the value usually placed upon municipal securities, viz., 90 per cent of the par value thereof when the market value is at least equal to such par value, or 90 per cent of the market value when the market value is less than the par value.

(The rate of acceptance has since been changed to 95 per cent of the market value at the time of deposit, such accepted value in no case to exceed par. See below T. B. June 14, 1900.)

The requirements above referred to are as follows :—

1. The company shall have kept strictly within the powers in relation to borrowing and investment conferred upon it by the Act under which it is incorporated.
2. It shall have a paid-up capital of at least \$500,000.
3. It shall have been in successful operation as a loan company for not less than ten years.
4. It shall have a reserve fund amounting to not less than 25 per cent of its paid-up capital.
5. Its stock shall have a market value of not less than par.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debentures or debenture stock as herein above provided shall form the subject of a special reference to the Treasury Board, and that the company shall supply, for the information of the Board, all necessary particulars, including a statement of the borrowing powers and powers of investment of the loan company whose securities are offered as a deposit, and a statement showing in detail the nature of the investments of such loan company, all properly verified. (T. B., October 16, 1896.)

No assurance of acceptance of bonds by the Treasury Board.—The Superintendent asks the decision of the Board upon the following questions, viz. :—

‘Will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?’

* * * * *

‘The Board, after deliberation, are of the opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased.’ (T.B., April 1, 1889.)

Deposit Receipts.—The Board direct that deposit receipts be not accepted in any case as a deposit on behalf of any company.’ (T.B., January 25, 1888.)

Bank Stock, &c.—‘Bank stock or shares in any private company will not be accepted.’ (O.C., January 17, 1876.)

Registered Bonds as Deposits.—‘When registered bonds are received as deposits they must be registered in the name of the Receiver-General. Bonds registered in the name of a company accompanied by an assignment in favour of the Receiver-General, will not be accepted. When registered bonds are intended to be used as a deposit, they should, before being forwarded to this department, be registered thus—in the name of the Receiver-General of Canada in trust for (giving the name of the company) being part of the deposit made by the company with said Receiver-General, in pursuance of the statutes of Canada in that behalf.’ (T.B., July 13, 1891.)

Foreign Municipal Securities.—‘The Board are of opinion that no municipal securities other than Canadian should be accepted for deposit under the Insurance Act.’ (T.B., January 30, 1894.)

Exchange of Securities deposited with the Receiver-General.—The Board establishes the following rule, viz., that bonds or securities of any kind deposited with the Receiver-General can be released and withdrawn only upon the deposit with the Re-

SESSIONAL PAPER No. 8

ceiver-General of an adequate amount of other securities satisfactory to the Board. (T. B., October 28, 1899.)

Municipal and other Securities as Deposits. — The Board on the report of the Superintendent of Insurance, direct as follows :—

(1) That Canadian municipal securities, Montreal Harbour bonds, Canadian Pacific Land Grant bonds, United States state securities and loan companies' debentures (where such securities are in all respects acceptable to the Treasury Board) be hereafter accepted at 95 per cent of their market value at the time of deposit, such accepted value in no case however to exceed par.

(2) That all securities of the classes mentioned in the preceding clause (1), which have been heretofore deposited and are still in the hands of the Dominion government at Ottawa, or in the hands of the Bank of Montreal, London, England, on behalf of the government, be revalued upon the basis set out in said clause (1).

(3) That for the purpose of such revaluation the various insurance companies by which such securities have been deposited be required to furnish from time to time when called for by the Superintendent schedules thereof giving the full particulars of such securities, including their par and market values, such par and market values to be certified to by a competent valuator or appraiser. (T. B., June 14, 1900.)

Respecting Quality of Paper and Type used in Bonds to be hereafter Deposited with the Receiver General. — The Board had under consideration reports from the Comptroller of Dominion Currency and the Superintendent of Insurance in reference to the quality of the paper upon which bonds for deposit with the Receiver General are engraved, lithographed or printed, and also in reference to the quality of type used for such purpose.

From the reports above referred to, it appears that there are now on deposit with the Receiver General in the custody of the Comptroller of Dominion Currency, bonds and debentures to the amount of more than \$38,000,000, which are held under and for the purposes of the Insurance Act; that of these securities about 65 per cent are municipal, the greater portion of which have half-yearly or yearly coupons attached; that in some cases the principal is payable in yearly or half-yearly instalments, such instalments being sometimes represented by coupons attached to the bond, and sometimes by separate bonds; that these bonds and debentures have, when deposited, periods to run varying from two or three years to fifty years, and all such must be handled at least once and generally twice each year, and that notwithstanding the greatest care, the removal from the box containing them, unfolding, cutting and refolding and replacing them must of necessity to a certain extent wear and injure them, and hence the necessity of having all bonds, when deposited, in such sound condition that they may be reasonably expected, notwithstanding the unavoidable wear and tear, to hold together until the date of maturity; that many of the debentures now held are on the commonest kind of paper; that the coupons attached, from constant handling, are frequently torn, and that many of those on the debentures recently taken have been in such bad condition that they had to be patched before they were put into the vault.

In view of the above representations, and on the recommendation of the Superintendent of Insurance, the Board direct that, of the securities hereafter offered for the above named purposes, only such be accepted as are either engraved, lithographed or printed in clearly legible type on tough, durable paper: Provided, however, that for good and sufficient cause shewn bonds not meeting the foregoing requirements may be temporarily accepted.

The Board further direct that a copy of this Minute be sent to every licensed Insurance Company, and also that the Minute be published by the Superintendent of Insurance in his Annual Report. (T. B., June 5, 1908.)

LEGAL DECISIONS.

1. LIFE INSURANCE.

(a) *Benevolent Society—Certificate.*—A was in his lifetime a member of the Ancient Order of United Workmen of Manitoba and held a certificate by which the sum of \$2,000 was to be paid at his death to his wife A. E. A. who was designated in the certificate as his beneficiary.

By his will he directed that the moneys payable under his insurance policies and made in favour of his wife be revoked and that the moneys payable thereunder fall into and form part of his general estate. In a case stated for the opinion of the Court one of the questions submitted was,—

“Whether the effect of the will was to make the money payable under said certificate part of the general estate of the testator and to be distributed as such under the terms of his will.”

Held:—That this question must be answered in the negative and that the widow was absolutely entitled to the money independently of the will altogether.

(February 10, 1906—Full Court, Manitoba. *Re* Anderson, 3 Western Law Reporter, p. 127.)

(b) *Assignment of Policy—Qualified assignment—Interest of assignee—Declaration by legal representatives of the insured.*

Held:—An assignment of a policy of life insurance with a direction that in the event of death, the amount be paid to the assignee, *as his interest may appear*, is a qualified assignment and casts on the assignee when claiming under the policy the obligation to establish an indebtedness of the assured to him. A declaration by the legal representatives of the insured that they do not pretend to have any claim under the policy will entitle the assignee to the full amount.

(April 28, 1906—Mr. Justice Curran. *Dubrule v. Sun Life Insurance Company*, 29 Quebec Superior Court Reports, p. 457.)

(c) *Construction of policy—Surrender or policy—Lapse of insurance—Benefit covenanted on condition of application within fixed delay—General application for payment.*

Held:—1. When a policy of life insurance provides for a benefit to the insured or his representatives upon *surrender* of the policy, such a surrender means a giving up of the policy with an express or implied consent that it be cancelled. The deposit of the policy in the hands of the insurer for the purposes of a loan will not avail as a surrender under the covenant.

2. When it is provided in a policy that after the insurance has been maintained for two years, if it lapses by non payment of the premium and application is made within six months thereafter, a benefit will still accrue, at the death of the insured, to his representatives, and the insured dies and his representatives apply for payment of the insurance within six months of the lapse thereof, such an application is sufficient to entitle them to the benefit of the proviso, though not made specially therefor.

(May 5, 1906.—Mr. Justice Saint-Pierre, *Baudette V. Provident Savings Life*, 30 Quebec Superior Court Reports, p. 160)

(d) *Mutual benefit association—By-laws of association part of contract—Appointment of beneficiary—Failure of appointment, or predecease of beneficiary appointed—Procedure—Action of warranty, en garantie simple when principal demand is dismissed.*

Held:—1. A contract of life insurance arising out of membership in a foreign mutual benefit association is governed by the by-laws of the association, not incompatible with or contrary to the laws of this province, which are embodied in it. So, when the

SESSIONAL PAPER No. 8

by-laws provide that insurance is to be paid at death to the beneficiary or beneficiaries appointed by the member insured, from a stated category of relatives, and in case of no appointment, or of one that fails through the predecease of the appointee, then the amount shall be paid to his widow, the latter is entitled to it, to the exclusion of the testamentary or legal heirs of the member, even though, during life, he had revoked a former appointment of his wife beneficiary.

2. An action in warranty by a defendant against his warrantor in a case of *garantie simple* brought before adjudication on the principal demand which is afterwards declared unfounded, will be dismissed with costs..

(May 12, 1906—Mr. Justice Dunlop, Chevalier V. The Catholic Mutual Benefit Association and Halpin, 29th Quebec Superior Court Reports, p. 399.)

(e) *Assignment of policy—Informal assignment—Security for debt—R.S.O., 1897, ch. 203, sec. 151 (5).*

The holder of a policy of insurance on his own life intending to secure payment of a loan to him, signed a document addressed to the lenders in which he stated: 'For collateral security I have placed aside and assigned to you a policy of insurance in the Standard Life Assurance Company for \$2,000':—

Held, that the effect of the document was to give the equitable right and title to the policy to the lenders of the money as beneficiaries: and that other creditors could not claim as against them, for they could take no higher rights than the insured had at the time of his death.

(December 1, 1906—Sir John Boyd, Thomson and Avery V. MacDonnell, 13 Ontario Law Reports, p. 653).

(f) *Promissory note given for first year's premium—Refusal to accept policy—Action on note.*

Defendant effected an insurance on his life with plaintiffs and gave a note at 3 months, for the first year's premium. It was part of the contract that if the note was not paid the policy should be void. Defendant refused to accept and returned the policy to the Company. Amongst the general provisions indorsed on the policy was one providing that if any note given in payment of a premium should not be paid when due the policy should be void but the note should nevertheless be paid. Plaintiffs sued upon the note at maturity and the judge before whom the action was tried having given judgment for one-fourth of the premium covered thereby it was held on appeal that notwithstanding the fact that the policy became void upon default of payment of the note the company was entitled to collect the full amount thereof.

(March 9, 1907—Court of Appeal, Manitoba, Manufacturer's Life Insurance Company v. Rowes, 5 Western Law Reporter, p. 405.)

(g) *Construction of policies—Non-payment of premiums—Lapse—Forfeiture.*

A life insurance policy issued by the defendants was dated the 20th May, 1901; the premium was \$31.20, payable in advance on the 30th May in each year for 20 years. The premiums were paid for 5 years. None was paid on the 20th May, 1906, or thereafter. The insured died on the 8th November, 1906. It was provided on the face of the policy: (1) that if, after the payment of 3 full years' premiums, the policy should lapse for the non-payment of any premium, the insurers would, upon application, the payment of all indebtedness, and the surrender of the policy and the last renewal receipt, within 3 months after such lapse, issue a non-participating paid-up policy for as many twentieth parts of its principal amounts as complete annual premiums shall have been paid, or apply the same towards the purchase of extended insurance, in accordance with the schedule indorsed: (2) that if, after the payment of 5 full years

premiums the policy should lapse as aforesaid, the insurers would, upon application, etc., within 3 months after such lapse, pay to the holder of the policy the cash surrender value shewn in the schedule, or, at the option of the holder, lend him any sum not exceeding the sum shewn in the schedule for one year, the premium for the ensuing year and interest on the amount lent being first deducted. The schedule shewed that a policy in force for 3 years would entitle the holder to a paid-up policy for \$150, or to have the existing policy extended for one year, and at the end of that year a paid-up policy for \$47; that a policy in force for 5 years would entitle the holder to \$66 in cash, or a loan of \$85, or a paid-up policy for \$250, or the extension of the existing policy for 2 years, and at the end of that period a paid-up policy for \$84. Clause 5 of the printed conditions indorsed provided that one calendar month would be allowed for payment of renewal premiums, at the expiration of which time, if the premium remained unpaid, the policy should cease to be in force:—

Held, that it was not necessary for the holder of the policy to make application in order to have the policy extended; the insurers were bound to apply the money in hand to the credit of the holder, namely, the \$66 shewn in the schedule, towards the purchase of extended insurance; there was no lapse, and the policy was in full force when the assured died.

A second policy for \$1,000 was dated the 31st March, 1903. By it the defendants, "in consideration of the application... and of the sum of \$17.95, being the premium for one year's term insurance, to be paid in advance to the company... on the delivery of this policy, and the further sum of \$33.90 payable annually for an additional term of 19 years, the first of such additional payments to be made on the 20th day of March, A.D., 1904, insured the life," etc. The premium said to be payable on the 20th March, 1906, had never been paid. An indorsement upon the policy provided that if any premium should not be paid when due, the policy should be void:—

Held that the terms of the policy, not being clear and explicit, but so framed as to lead to doubt and contention, must be construed most favourably to the insured, and so as to avoid a forfeiture; and, so reading it, it was not to be implied that any of the premium but the first and second were payable in advance, and the policy was in force on the 8th November, 1906, when the insured died.

(April 4, 1907—Mr. Justice Mabee, *Pense v. Northern Life Assurance Co.*—14 Ontario Law Reports, p. 613.)

(h) *Varying apportionment—Postponing payment till after full age—Ineffective provision—R.S.O. 1897, ch. 203, sec. 160.*

By her will a testatrix assumed to reapportion her insurance, reducing the interest of a "preferred beneficiary" from \$500 to \$250, and further directed that he should not be paid his share till the age of twenty-five. At the age of twenty-one, however, he claimed the right to immediate payment:—

Held, that even if sec. 160 of the Insurance Act as to altering or varying apportionments of insurance moneys authorized such attempted postponement of payment, the provision was ineffective, for all persons who attain twenty-one are entitled to enter upon the absolute enjoyment of property given to them by will, notwithstanding any direction by the testator to the contrary, unless between twenty-one and the specified later age the property is given for the benefit of another, or so clearly taken away from the devisees up to the time of their attaining such greater age as to constitute an intestacy as to the previous rents and profits; and it is impossible to distinguish between such a provision in regard to insurance and a like provision in regard to personal property bequeathed by will.

(i) *Declaration in favour of wife and children—Variation in favour of creditor—Beneficiary—Intention to exonerate estate from the debt—Invalidity—Trust—Improper exercise of power—Insurance Act of Ontario.*

SESSIONAL PAPER No. 8

By sub-sec. 1 of sec. 159 of the Ontario Insurance Act, R.S.O. 1897, ch. 203, the insurance money payable under a benefit certificate to preferred beneficiaries is constituted a trust fund therefor, and so long as any object of the trust remains shall not be subject to the control of the assured or his creditors or form part of his estate. By sub-sec. 1 of sec. 160 the insured is empowered to vary the apportionment in favour of one or more of the preferred beneficiaries, and by sub-sec. 2 no authority is deemed to be conferred to divert the moneys from the class to a person not of the class or to the assured himself or to his estate.

Under a benefit certificate in a fraternal society, the sum insured, \$2,000, was made payable on the insured's death to his wife and children. Being indebted to a daughter in the sum of \$3,000, he endorsed on the certificate a transfer of the insurance to such daughter, he undertaking to keep the insurance in force, and she, on being appraised thereof, acquiesced in the transfer, and agreed to release the insured from the debt.

Held, that the transfer was, under the statute, null and void, as being in effect a conversion of the insurance moneys to the insured's estate: but that, apart from the statute, it was also invalid, as not being a *bona-fide* exercise of the power of appointment vested in him.

(May 5, 1907—Divisional Court, *Re Kemp. Johnson vs. The Ancient Order of United Workmen*, 14 Ontario Law Reports, p. 424.)

(j) *Benefit Society—Change of beneficiary—Wife of member—Foreign divorce—Validity—Estoppel—Re-marriage—Second wife and adopted daughter—Claim of.*

The deceased was married in 1860, in Massachusetts, U.S., to M., where they both resided until 1886, when, in consequence of his becoming amenable to the criminal law, he left, and came to Canada, where he resided until his death, M. remaining in the State. In 1891, on proceedings taken by M., the deceased not appearing, she obtained a decree of divorce *a vinculo* upon the ground of desertion and cruelty. In 1896 the deceased went through a form of marriage with one C., and thereafter continued to live with her as his wife down to the time of his death. In 1889 the deceased insured in a fraternal society for \$2,000, which by the certificate was made payable to his wife M., and was so continued until 1896, when he endorsed on the certificate a revocation of the payment to M., and procured a duplicate certificate to be issued, stating that M. was dead, and having the amount made payable to C. and an adopted daughter, and the insurance so continued until his death, C. for several years before his death paying the premiums:—

Held, without deciding whether or not the divorce obtained by M. was valid that she could not be heard to impugn the jurisdiction of the Court in the United States she had invoked to grant the divorce.

Held, also, that it was not necessary to decide whether or not C.'s marriage was legal or the adopted daughter entitled, as the society had not contested their claims, and it was not open to M. to do so, and that C. and the adopted daughter were entitled to the moneys.

(k) *New South Wales Life, &c., Insurance Act, 1902, s. 4—Crown not bound by the Act.—Prerogative Right to Priority of Payment.*

Section 4 of New South Wales Life, Fire and Marine Insurance Act, 1902, purports to protect the proceeds of a life assurance policy from payment of the debts of the deceased:—

Held, that whatever the true construction and effect of the section, the Act itself did not bind the Crown, which was entitled to be paid and by virtue of its prerogative to be paid in priority to all other creditors of the deceased.

(July 31, 1907—Imperial Privy Council, Attorney General for New South Wales *vs.* Curator of intestate estates, Privy Council Appeal Cases (1907) p. 519.)

(l) *Construction of Policies—Non-payments of Premiums—Lapse—Forfeiture.*

Held, reversing the judgment of Mabee, J., 14 O.L.R. 613, that upon the proper construction of the policies sued upon, in the circumstances disclosed in the evidence, both policies had lapsed and ceased to be in force at the time of the death of the person insured, and there could be no recovery thereon.

(Nov. 15, 1907—Court of Appeal, Ontario—*Re Pense vs. Northern Life Assurance Co.*,—15 Ontario Law Reports, p. 131.)

(m) *Will—Bequest of proceeds of policy on testator's life—Existence of several policies answering description—Insurance Act—Preferred beneficiaries—Designation—Identification by number or otherwise.*

A testator by his will bequeathed all his estate to his wife, subject to payment of his debts and four legacies of \$50,000 each to his four children. The will also contained the following provision: "I also bequeath to each of the above named children one-quarter of the proceeds from a 5% gold bond policy issued by the Travellers of Hartford, Conn." The testator had four such policies, bearing the same date and in identical terms, in the Travellers Insurance Company of Hartford, each for \$25,000. Evidence was tendered to shew that the testator regarded the insurance as one contract for \$100,000:—

Held, that, even if such evidence were admissible, the bequest must be regarded as a gift of a single policy.

Held, also, that a bequest of one of four policies, any one of which may be selected to answer the bequest, is not such a designation, even in favour of preferred beneficiaries, as meets the requirement of the Insurance Act, R. S. O. 1897, ch. 203, sec. 159, that in a designation by will the policy shall be identified "by number or otherwise."

(Nov. 16, 1907—Mr. Justice Anglin—*MacLaren et al. vs. MacLaren et al.*—15 Ontario Law Reports, p. 142.)

(n) *Benefit certificate—Disposal of fund—Wife and children—Income—Corpus.*

The whole of the deceased's estate consisted of \$2,000, secured by a benefit certificate, by which it was made payable to his executors to be put at interest, to be paid to his wife, for the benefit of herself and children until her death or marriage, when it was to be paid to his children until the youngest attained twenty-one, when the principal was to be equally divided amongst them:—

Held, that the intention was not that the wife and children should be jointly entitled to the interest, but that, until the wife's death or marriage, the whole should be payable to her, giving her a discretionary power as to its disposal according to the family needs and requirements, and that the *corpus* should not be distributable until her death or marriage, and until the youngest child attained twenty-one years of age.

(o) *Declaration in favour of wife and children—Variation in favour of beneficiary who is also a creditor—Intention to exonerate estate from the debt—Invalidity—Exercise of power—Equitable grounds—Insurance Act of Ontario.*

By sub-sec. 1 of sec. 159 of the Ontario Insurance Act, R. S. O., 1897, ch. 203, the insurance money payable under a benefit certificate to preferred beneficiaries is constituted a trust fund therefor, and so long as any object of the trust remains shall not be subject to the control of the assured or his creditors or form part of his estate. By sub-

SESSIONAL PAPER No. 8

sec. 1 of sec. 160 the insured is empowered to vary the apportionment in favour of one or more of the preferred beneficiaries, and by sub-sec. 2 no authority is deemed to be conferred to divert the moneys from the class to a person not of the class or to the assured himself or to his estate.

Under a benefit certificate in a fraternal society, the sum insured, \$2,000, was made payable on the insured's death to his wife and children. Being indebted to a daughter in the sum of \$3,000, he endorsed on the certificate a transfer of the insurance to, and surrendered the certificate and obtained a new one in favour of, such daughter, he undertaking to keep the insurance in force, and she, on being apprised thereof, acquiesced in the transfer, and agreed to release the insured from the debt.

Held, reversing the judgment of the Divisional Court, 14 O. L. R. 424, and restoring the order of Falconbridge, C. J., that the transfer was not invalid, either under the statute or as an improper exercise of a power of appointment, and that the other beneficiaries were debarred on equitable grounds from contesting the claim of the daughter to the insurance money.

(Dec. 31, 1907, — Court of Appeal, Ontario, *Re Kemp, Johnson vs. The Ancient Order of United Workmen* — 15 Ontario Law Reports, p. 339.)

(p) *Changing beneficiary — Identifying policy — “By number or otherwise” — Extrinsic evidence — R.S.O., 1897, ch. 203, sec. 160.*

R.S.O., 1897, ch. 203, sec. 160, “The Ontario Insurance Act” provides that the assured may vary a policy previously made so as to restrict, extend, etc., the benefits, or alter the apportionment, *inter alia*, by a will identifying the policy by a number or otherwise.

The assured, in this case, being the holder of a beneficiary certificate in a benevolent society made payable to his wife, by his will, bequeathed “out of my life insurance funds the sum of \$200 to my sister,” and “all the rest, residue and remainder of my insurance funds . . . to my daughter” :—

Held, that this did not sufficiently identify the beneficiary certificate above mentioned, nor was it permissible to prove by extrinsic evidence that the testator must have referred to it as he held no other policies.

Re Chessborough (1897), 30 O. R. 639, specially discussed.

Seem, even were it otherwise, the widow's claim would have been good to the extent of the \$200 assumed to be bequeathed to the sister.

2. FIRE INSURANCE.

(q) *Every statement in an insurance application was, by a provision in the policy, made a warranty—This provision being an addition to the statutory condition, the terms of Chapter 147, R. S. Nova Scotia, must be complied with, to make the warranty effective.*

(December 20, 1902.—Mr. Justice Townsend, *McNutt vs. Western Assurance Company*,—40 Nova Scotia Reports, p. 375.)

(r) *Notice of loss.—Waiver of formalities.*

Held :—A notice of loss by fire in the words, “*Je vous donne avis que mon ameublement de maison est brûlé le 10 de ce mois. Veuillez y voir,*” receipt of which is acknowledged by the insurer and followed by an offer by the latter of a sum in payment, is sufficient. The offer is a waiver of the requirements in the conditions of the policy and in the provisions of law respecting the form and contents of notices, intended to give the insurer information, which he may exact or dispense with, as he chooses.

7-8 EDWARD VII., A. 1908

(February 22, 1906—Court of Review, Province of Quebec, *Labbe vs. The Equitable Mutual Fire Assurance Company*,—29 Quebec Superior Court Reports p. 274.)

(s) *Contract of insurance — Limitation clause imported from original policy — Construction clause held to be unreasonable.*

In a contract of re-insurance which was engrafted on an ordinary printed form of fire insurance policy, and incorporated all its terms, there was a clause which purported to prohibit an action thereon unless commenced within twelve months next after the fire:—

Held, that, having regard to the true construction of the contract, which carelessly purported to include many conditions inapplicable to re insurance, the above clause must also be regarded as inapplicable. Such a clause is reasonable in the original policy where the assured can sue immediately on incurring loss; it cannot apply where the insured is unable to sue until the direct loss is ascertained between parties over whom he has no control.

(November 2, 1906—Privy Council, *Home Insurance Company of New York vs the Victoria Montreal Fire Insurance Company*, Quebec Reports 16 King's Bench, p. 31. Appeal Cases 1907, p. 59.)

(t) *Assurance mutuelle—Formalités prescrites pour réclamer après sinistre—Irrégularités dans les avis—Proposition d'assurance—Fausses déclarations—Nullité.*

Juge:—1o. L'observation des formalités prescrites par la loi des assurances mutuelles contre le feu pour réclamer l'assurance à la suite d'un sinistre, est une condition préalable nécessaire à l'institution de l'action en recouvrement de l'assurance.

2o. L'assuré qui, dans sa proposition d'assurance, se dit propriétaire des biens à assurer alors qu'il n'en a qu'une promesse de vente, fait une fausse déclaration qui entraîne la nullité du contrat.

(January 10, 1907—Mr. Justice Archibald, *Ouellette vs. La Jacques Cartier*, 31 Quebec Superior Court Reports, p. 29.)

(u) *Statutory Conditions—Gasoline kept on premises.*

One of the defences set up to actions brought against two Fire Insurance Companies for the recovery of a loss sustained by the destruction of the plaintiff's premises by fire was under Statutory condition 10 (f) which provides that the Company is not liable for the losses following, that is to say:—

“10 (f) For loss or damage occurring while * * * * * gasoline * * * is * * * * kept or stored in the building insured or containing the property insured, unless permission is given in writing by the Company.”

Held, that a small quantity of gasoline kept upon the premises for use did not show a violation of the condition referred to.

The Court severely criticised the action of the Companies for resisting the claim.

(November 4, 1907, Mr. Justice Riddell, *Thompson vs. Equity Fire and Thompson vs. Standard Mutual Fire*, 10 Ontario Weekly Reporter, p. 761.)

(r) *Statutory Conditions—Variation—Appraisement in place of arbitration — Condition No. 16—R.S.O., 1897, ch. 203.*

In a policy of fire insurance, it was provided, by way of variation of statutory condition No. 16 providing for reference under the Arbitration Act in case of differences, that if any difference arose as to the value of the property insured, of the property saved, or the amount of the damages or loss, the same should be submitted to and ascertained by appraisers, one to be appointed by the assured and one by the company,

SESSIONAL PAPER No. 8

who were to select an umpire, and that the assured and the company should pay the appraisers respectively selected by each of them, and that each should pay one-half the expenses of the umpire :—

Held, that the variation was not binding upon the assured, not being “just and reasonable to be exacted by the company,” inasmuch as it was more stringent and onerous than the statutory condition, both because (1) the plaintiff would be bound by the findings of the majority of the appraisers as the result of their own personal opinions only, and would be deprived from examining witnesses on oath touching the amount of his loss; and because (2) it imposed upon the insured the payment of certain of the expenses in any event, whereas the statutory condition provides that where the full amount of claim is awarded costs shall follow the event, and in other cases be in the discretion of the arbitrators.

Seemle, that if the language of the variation was to deprive the insured of the benefit of the provisions of the Arbitration Act, which the statutory condition expressly made applicable to the reference, it would be manifestly unjust, as more stringent and onerous than the latter.

(Nov. 28th, 1907—Mr. Justice Teetzel, *Cole vs. London Mutual Fire Ins. Co.*,—15 Ontario Law Reports, p. 619.)

(w) *Constitutional law—Provincial companies' powers—Operations beyond province—Insurance against fire—Property insured—Standing timber—Return of premiums—B. N. A. Act, 1867, s. 92 (11).*

Held, per Idlington, Macleunan and Duff, J. J., Fitzpatrick, C. J. and Davies, J. *contra* :—That a company incorporated under the authority of a provincial legislature to carry on the business of fire insurance is not inherently incapable of entering outside the boundaries of its province of origin into a valid contract of insurance relating to property also outside of those limits.

Per Fitzpatrick, C. J. and Davies, J.—Sub-sec. 11 of sec. 92 B. N. A. Act, 1867, empowering a legislature to incorporate “companies for provincial objects,” not only creates a limitation as to the objects of a company so incorporated but confines its operations within the geographical area of the province creating it. And the possession by the company of a license from the Dominion Government under 51 Vic. ch. 28 (R. S. 1906, ch. 34, sec. 4) authorizing it to do business throughout Canada is of no avail for the purpose.

Girouard J. expressed no opinion on this question.

An assurance company incorporated under the laws of Ontario insured a railway company, a part of whose line ran through the State of Maine, “against loss or damage caused by locomotives to property located in the State of Maine, not including that of the assured.” By a statute in that state the railway company is made liable for injury so caused and is given an insurable interest in property along its line for which it is so responsible.

Held, affirming the judgment of the Court of Appeal (11 Ont. L. R. 465) which maintained the verdict at the trial (9 Ont. L. R. 493) that the policy did not cover standing timber along the line of railway which the charter of the insurance company did not permit it to insure.

Held, also, Fitzpatrick, C. J. and Davies, J. dissenting, that the policy was not on that account of no effect as there was other property covered by it in which the railway company had an insurable interest; therefore the latter was not entitled to recover back the premiums it had paid.

3. SPRINKLER LEAKAGE INSURANCE.

(x) *Loss from frost—Statement by agent—Authority of—Statement made in application and interim receipt—Condition in policy.*

Under instructions from the plaintiffs in the *Hawthorne* case to obtain for them an insurance against loss by accidental leakage from their sprinkler system of fire protection, an insurance broker was informed by the accountant in charge at the company's head office that such insurance covered frost damage, which he thereupon applied for. The rate was subsequently fixed, no mention being made, as was the fact, of there being an extra rate to cover frost damage. An interim receipt was issued insuring the plaintiffs against accidental leakage, subject to the directors' approval, but not in any way altering the verbal contract, and afterwards a written form of application which had been delayed through lack of information, was completed. In the application, in answer to a question as to the protection against freezing, it was stated that the pipes were frost proof to roof, and the building steam heated. A couple of months afterwards the account for the premium was rendered to the broker, who forwarded it to the plaintiffs, who paid it; but in the meantime a loss had occurred through leakage occasioned by the bursting of frozen pipes. A policy had also been issued, but had not been received by the plaintiffs, insuring them against accidental leakage, one of the conditions, however, stating that the policy did not cover damage resulting from exposure, rupture, collapse or leakage from steam pipes or steam boilers, or resulting from any interruption of business or stoppage of any work or plant, or from freezing or from fire:—

Held, that the plaintiffs were entitled to recover on the verbal contract; that as to the interim receipt the only limitation therein was that the application was subject to the directors' approval, and that they had signified such approval by the issuing of the policy; that the statement made by the insured in the application as to the pipes being frost proof was immaterial, if, as the defendants contended, damage by frost was not insured against; and, as to the condition in the policy, not only had the plaintiffs never seen the policy, but the exception as to frost was not expressed in terms sufficiently clear to exonerate the defendants.

In the *Boulter* case the main facts were substantially the same, except that there was no verbal contract as to the frost risk, and the plaintiffs had received the policy some weeks before the accident. The judgment on the construction of the policy was the same as in the *Hawthorne* case:

Maclaren J. A. dissenting for the reason given in that case.

(April 27, 1907—Court of Appeal, Ontario, *Hawthorne vs. The Canadian Casualty and Boiler Insurance Company, Boulter vs. The Same*,—14 Ontario Law Reports, p. 166.)

(y) *Sprinkler system—Damage from leakage or discharge—Injury from frost—Application—Interim receipt.*

A policy of insurance covered loss by leakage or discharge from a sprinkler system for protection against fire but provided that it would not cover injury resulting, *inter alia*, from freezing. The water in a pipe connected with the system froze and, the pipe having burst, damage was caused by the consequent escape of water.

Held, affirming the judgment of the Court of Appeal (14 Ont. L.R. 166) Davies J. dissenting, that the damage did not result from freezing and the insured could recover on the policy.

In the *Hawthorne* case the majority of the court dismissed the appeal on the same grounds. The policy in that case was sent to the brokers who had applied for it on behalf of the assured shortly before, and the latter did not see it until the loss occurred.

Held, per Davies J. that the contract of insurance was not contained in the policy, which the assured had no opportunity to accept, but in what took place between the

brokers and the agent of the insurers on applying for it and, as the latter informed the brokers that damage by frost was insured against the insured could recover.

(Dec. 13, 1907—Supreme Court of Canada, *The Canadian Casualty and Boiler Insurance Company vs. Boulter, Davies and Company, The Canadian Casualty and Boiler Insurance Company vs. D. D. Hawthorne and Company*,—39 Supreme Court of Canada, p. 558.)

4. SUCCESSION DUTY ACT.

(z) *Benefolent and Provident Society Act,—Beneficiary—Certificate.*

The estate of the deceased was less than \$10,000, unless there should be added to it the amount of a beneficiary certificate in the Canadian Home Circles, which, however was payable at the death of the deceased to his nephew.

Id., that the amount of this certificate so payable formed no part of the estate of the deceased, which thus, being under \$10,000 was not liable to succession duty.

7. An Act respecting the Occidental Fire Insurance Company. This company was incorporated by an Act of the Manitoba Legislature, being chapter 65 of the Statutes of 1902.

The present Act reincorporates the company under the same name and provides that upon compliance with the requirements thereof "all the assets, rights, effects and properties, real, personal and mixed of whatsoever kind and wheresoever situated, belonging to the old company which it may be or may become entitled to shall be vested in the new company subject to existing mortgages or liens, if any, upon due execution of an indenture in the form contained in the schedule to the Act or to the like effect." The Act also provides (sec. 17) that it shall not take effect unless and until accepted and approved of by a vote of not less than two-thirds in value of the shareholders of the old company present or represented by proxy at a special general meeting of the old company duly called for considering the same, and if so accepted, the Act is to come into force upon a subsequent day to be fixed by said vote. The Act also provides that in each year for five years after the issue of a license under the Insurance Act a sum of \$15,000 shall be paid upon the capital stock of the company. 8. An Act respecting the Standard Mutual Fire Insurance Company and to change its name to "The Standard Fire Insurance Company." The present Act reincorporates the Company under the name of the Standard Fire Insurance Company. Its provisions are similar to those reincorporating the Occidental Fire Insurance Company referred to in paragraph No. 7. It provides, however, that before being licensed under the Insurance Act its subscribed capital shall be increased to \$250,000 and that there shall be paid thereon in addition to the sum of \$11,820 paid on the capital of the old Company the sum of \$100,000 in cash and a further sum of \$15,000 each year for five years after the issue of such license. The head office of the new company is to be at Toronto.

9. An Act respecting the Pacific Coast Fire Insurance Company. This Company was incorporated by chapter 54 of the statutes of 1890 of the province of British Columbia. The present Act reincorporates the Company and its general provisions are similar to those of the Acts mentioned in paragraphs Nos. 7 and 8. It provides that before being licensed under the Insurance Act that its subscribed capital shall be increased to \$250,000. The head office of the new company is to be at the city of Vancouver, in the Province of British Columbia.

10. An Act respecting the Subsidiary High Court of the Ancient Order of Foresters in the Dominion of Canada. This Act enables the Society, which was incorporated by Dominion Statute in 1898 with limited life insurance powers "to establish and maintain a fund, and with respect thereto to effect contracts of life insurance, to grant, sell or purchase life annuities, grant endowments depending on the contingency of human life and generally to carry on the business of life insurance in all its branches and forms among the members of the Society." The Act also provides that the Society may be referred to in its constitution and laws and in its correspondence and printed and written matter as "The Ancient Order of Foresters" or "The A. O. F."

11. An Act respecting the Phoenix Assurance Company, Limited. This company is a British company with power to carry on the business of fire insurance and the business of life insurance. It has for many years carried on in Canada the business of fire insurance. Recently an agreement was entered into between this company and the Pelican and British Empire Life Office which has been carrying on in Canada the business of life insurance, whereby said Life Office has agreed to transfer to this Com-

SESSIONAL PAPER No. 8

pany its undertaking and business and said Life Office has ceased to exist as a separate corporate body. Under the existing Insurance Act a license cannot be granted to a company to carry on the business of fire insurance in combination with the business of life insurance. The present Act, however, provides that a license may be granted to this company to carry on in Canada in addition to its fire business "the business of said Life Office acquired or contracted by or belonging to the said Life Office and included in the transfer above referred to:"—in other words, to continue till termination the existing business of the Pelican and British Empire Life Office but not to enter into any new contracts.

12. An Act respecting the Crown Life Insurance Company. This Act authorizes the company to pass a by-law (1) approving of the agreement set out in the schedule thereto; (2) for cancelling so much of the subscribed stock of the company as is provided for in said agreement; and (3) for writing off the paid-up capital stock of the company so much thereof as is provided for in said agreement. The object sought to be attained is the reduction of the capital and getting rid of the impairment thereof.

It is understood that the shareholders have approved of the by-law submitted to them for the purposes specified in the Act.

13. An Act to change the name and head office of the Anglo-Canadian Insurance Company. This Act changes the company's name to "The National Union Insurance Company" and removes the head office from Montreal to Toronto.

14. An Act respecting the Dominion Guarantee Company, Limited. This company was incorporated in 1893 under the name of The Dominion Burglary Guarantee Company (Limited) with power to make contracts with any person for the purpose of guaranteeing such person against any loss or damage by reason of burglary or house-breaking. In 1894 its Act of incorporation was amended and power was granted to the company to operate and maintain in connection with its business an electric wire protection service and a patrol service and also to purchase and acquire a certain electric wire and patrol service in the amending Act of 1894 mentioned. In 1901 the Company was authorized by a further amending Act to make contracts guaranteeing against loss or damage to property of any kind, whether at rest or in transition, by reason of burglary, house-breaking, theft or robbery and by the same Act it was given power to establish safety vaults in connection with its business for the purpose of receiving, guarding, caring for and guaranteeing against loss or damage any property deposited with it and to acquire, maintain and operate messenger and attendance services. In 1903 by a further amending Act the name of the Company was changed to its present name and power was granted to it to carry on the business of guaranteeing titles to real estate as set forth in said amending Act. This power has not, however, been exercised by the Company. The present Act consolidates the Company's corporate powers other than those relating to the guaranteeing of titles, and after reciting an agreement between the Company and The Gresham Life Assurance Company for a loan by the latter to the former upon the security of certain property of the Company in the said agreement described, ratifies and confirms said agreement as set forth in a schedule to the Act.

2. ONTARIO LEGISLATION.

Statutes of 1908, Chapter 14.

An Act to supplement the Revenues of the Crown in the Province of Ontario.

(Assented to 14th April, 1908.)

His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. This Act may be cited as *The Supplementary Revenue Act*.

INTERPRETATION.

2. Where the words following occur in this Act, they shall be construed in the manner hereinafter mentioned.

(1) "Treasurer" shall mean Treasurer of the Province.

* * * * *

(3) "Insurance Company" shall include life, fire, ocean or inland marine, inland transit, accident, plate glass, steam boiler and burglary insurance companies and guarantee, surety or casualty companies which transact business in Ontario, wherever such companies may be incorporated, whether the head office is situate in Ontario or elsewhere, but shall not include mutual fire insurance companies (unless they transact insurance on the cash plan) or mutual live stock and weather insurance companies licensed or registered under *The Ontario Insurance Act* or friendly societies lawfully transacting insurance business in Ontario under the said Act.

* * * * *

(6) "Head Office" shall mean the head office in Ontario of a company or the place therein designated by the company as the head office, and where no such place is designated that place of business of the company that may be designated as the head office by the Lieutenant-Governor in Council on the report of the Treasurer.

(7) "Company" shall include corporations and associations however or wherever incorporated; and where any such corporation or association is placed in the hands or under the control of an agent, assignee, trustee, liquidator or receiver, or other officer, shall include such agent, assignee, trustee, liquidator, receiver, or other officer; and shall also include an individual, a partnership, syndicate or trust where the business is carried on in Ontario by such individual, partnership, syndicate or trust, whether the head office or chief place of business of such individual, partnership, syndicate or trust is in Ontario or elsewhere, but the word individual in this clause shall not apply to a private banker or to an individual merely because of his loaning money.

(8) "Extra-Provincial Company" shall mean a company which has its head office elsewhere than in Ontario.

* * * * *

TAXATION OF COMPANIES.

1.—(1) Every company, not including a municipal corporation, which transacts business in Ontario under its own name or through an agent or otherwise, shall annually pay to His Majesty for the uses of the Province, the taxes imposed by this Act at the time and in the manner hereinafter provided.

* * * * *

INSURANCE COMPANIES.

(3)—(a) Every life insurance company which transacts business in Ontario shall pay a tax of one per cent. and every other insurance company shall pay a tax of two-thirds of one per cent, calculated on the gross premiums received by the company in respect of the business transacted in Ontario;

(b) In the case of mutual fire insurance companies which receive premiums in cash the tax shall be calculated on the gross premiums received in cash in respect of the insurance transacted on the cash plan in Ontario. Provided that every insurance company licensed under *The Ontario Insurance Act* and assessed under section 181 of the said Act shall be credited with the payment under the said last mentioned section in reduction of the tax payable under this Act.

(c) Where a life insurance company has its head office elsewhere than in Ontario, and has an annual income of less than twenty thousand dollars from premiums on policies on the lives of persons resident in Ontario, and where such company lends money on the security of lands in Ontario, the company shall pay a tax of one per cent. calculated on the gross premiums received from such policies, and of one-quarter of one per cent on the gross annual income received from loans on policies or on lands or securities on lands in Ontario.

SESSIONAL PAPER No. 8

(*l*) In the case of reinsurance by an insurance company the company reinsured shall be exempt from the tax imposed on the portion of the premium paid to the reinsuring company, but the reinsuring company shall be liable for the tax in respect thereof as part of its gross premiums. Where the reinsuring company does not transact business in Ontario or has no principal or head office therein, the company reinsured shall retain in its hands so much of the premium for reinsurance as is equivalent to the tax imposed in respect of such premium, and shall be liable for the tax and for the payment thereof to the Treasurer.

(*e*) Where any country or any state of any country imposes a tax or license fee which has the effect of discriminating against insurance companies or against any classes of insurance companies organized under the laws of Canada or of Ontario and having their principal offices in Ontario, and of imposing a tax or license fee higher or greater than the tax or license fee which home companies in such state or country are required to pay, the Lieutenant-Governor in Council may direct that any insurance company which is organized in or under the laws of any such country or state, or has its head or principal office therein, and which transacts insurance business in Ontario, shall pay in addition to the tax imposed by clauses (*a*) and (*b*) of this subsection, a tax calculated on the gross premiums received by the company or in respect of the business transacted in Ontario during the preceding year, but so that such increase shall not exceed the equivalent of the extra tax or license fee or both imposed in such country or state.

(*f*) In estimating the amount of the tax payable under this Act by an insurance company, every premium which

- I. is by the terms of the policy or a renewal thereof or otherwise payable in Ontario, or
- II. is paid in Ontario, or
- III. is payable upon or in respect of a risk undertaken in Ontario, or
- IV. is payable in respect of insurance of a person or property resident or situate in Ontario at the time of payment, whether such premium is earned wholly or partly in Ontario or elsewhere and whether the business is transacted in respect of such policy or the payment of such premium is made wholly or partly within Ontario or elsewhere,

shall be deemed to be a premium in respect of business transacted in Ontario.

(*g*) The chief agent in Ontario under *The Ontario Insurance Act*, of an extra-Provincial insurance company, and every other insurance company, shall keep a separate book or set of books in which shall be entered the premiums mentioned in clause (*f*) of this subsection, and all other income of the company in respect of business transacted in Ontario, and in default the company shall incur a penalty equal, in the case of a life insurance company, to one per cent, and in the case of every other insurance company, to two-thirds of one per cent, on the total gross premiums and other gross income of the company.

PAYMENT OF TAX AND RETURNS.

7. The taxes imposed by this Act shall be deemed to be due on the first day of January of the year in which they are imposed, but shall not be payable until the first day of October thereafter. 63 V. c. 6, s. 12.

8.—(1) Every company on which a tax is imposed by this Act shall on or before the first day of June in each year without any notice or demand deliver in duplicate to the Treasurer such return as the Lieutenant-Governor in Council may prescribe for the purpose of carrying out the provisions of this Act.

(2) The return shall be verified by the oaths of the president and manager or of the manager and vice-president having personal knowledge of the affairs of the company, and in the case of extra-Provincial companies by the manager or chief agent of the company in Ontario, and the accountant or secretary thereof or by such other person or persons connected with the company as the Treasurer may require.

(3) In the case of an extra-Provincial company which has no officer within Ontario excepting a chief agent, the return may be verified by the oath of the chief agent only.

9. For every default in complying with the provisions of the next preceding section, the company and the person or persons by whom the return should be verified shall each incur a penalty of \$20 for each day during which the default continues, and the company shall also be liable to pay a tax of double the amount for which it is liable under the preceding sections, and the penalty or double tax may be recovered in any court of competent jurisdiction by and in the name of the Treasurer, and the action shall be tried without a jury.

10. The Treasurer may, before or after the time for making it, enlarge the time for making any return.

11.—(1) If the Treasurer, in order to enable him to determine whether a return furnished is correct, desires further information, he may, by registered letter addressed to the president, manager, secretary, or agent of the company, require a further return to be furnished under oath within thirty days.

(2) If the required information is not furnished to the satisfaction of the Treasurer, the Lieutenant-Governor in Council may direct inquiry to be made by a commissioner or commissioners, appointed under *The Public Inquiries Act*, and the determination of the commissioner or commissioners, after having given all persons concerned an opportunity to be heard, shall, for the purposes of this Act, be final as to the particulars mentioned in the report, but the Lieutenant-Governor in Council may for cause vary the report: but the findings of the commissioner or commissioners shall not be varied so that the amount of the tax payable by the company shall be increased without giving the company an opportunity of being heard.

(3) If the inquiry is occasioned by failure to furnish the information required by the Treasurer, subject to the next succeeding subsection, the company shall pay the costs of the inquiry, but if the return is found to be correct and the required information appears to have been duly furnished, the Treasurer may direct the costs or such of them as were necessary to be paid by the Province.

(4) If the commissioner or commissioners find that the return understates the amount upon which the tax should be paid, the company, besides paying the costs of the inquiry, shall pay the tax based on the amount as found by the commissioner or commissioners with fifty per cent added to the tax, unless the Lieutenant-Governor in Council shall otherwise direct.

(5) The costs of the commission may be fixed and certified by the Treasurer, or he may direct the same to be taxed, and when payable to the Crown the same may be recovered in the manner hereby provided for the recovery of a tax.

(6) If the Treasurer directs the costs to be taxed the same shall be taxed by a taxing officer of the Supreme Court of Judicature.

(7) If the commissioner or commissioners find that the return understates the amount on which the tax should be paid, but also certify that such understatement was not made with intent to decrease the amount of the tax to be paid but was made in good faith and with no improper motive, the Lieutenant-Governor in Council may, upon the recommendation of the Treasurer, remit so much of the added percentage and so much of the costs as to him may seem meet.

12.—(1) In default of payment of any tax by this Act imposed, the same may be levied and collected with costs by distress upon the goods and chattels wherever found of the company liable therefor under a warrant signed by the Treasurer directed to the sheriff of any county, and the sheriff shall levy and collect the tax or so much thereof as may be in arrear and all costs by sale of the goods and chattels of the company or so much thereof as may be necessary to satisfy the tax and costs.

(2) Any tax or penalty imposed by this Act may at the option of the Treasurer be recovered with costs in any court of competent jurisdiction by and in the name of the Treasurer, and the action shall be tried without a jury.

13. Every tax and penalty imposed by this Act shall be a first lien and charge upon the property in Ontario of the company liable to pay the same.

SESSIONAL PAPER No. 8

14. An action brought by the Treasurer under this Act shall be brought and prosecuted in and by his name of office and may be continued by his successor in office as if no change had occurred.

15. The penalty under this Act shall be recovered only at the instance or with the consent of the Attorney-General.

16. If any doubt or dispute arises as to the liability of a company to pay a tax or any portion of a tax demanded under the authority of this Act, or if owing to special circumstances it is deemed inequitable to demand payment of the whole amount imposed under this Act, the Treasurer may accept such amount as he may deem proper, and if the tax demanded has been paid under protest he may refund the same or any part thereof.

18. Chapter 8 of the Acts passed at the 2nd session held in the 62nd year of Her late Majesty's reign, intituled *An Act to Supplement the Revenues of the Crown in the Province of Ontario* and all amendments thereto are hereby repealed.

Statutes of 1908.

An Act to amend "The Manitoba Insurance Act".

(Assented to Feb. 26, 1908.)

His Majesty, by and with the advice and consent of the Legislative Assembly of Manitoba, enacts as follows:—

1. Section 58B, added to "The Manitoba Insurance Act," being chapter 82 of the Revised Statutes of Manitoba, 1902, by section 4 of chapter 27 of the Statutes of 1904, is hereby amended by inserting immediately after the word "Manitoba", in the sixth line thereof, the following words, "except by, from or through a special broker;" and by adding at the end of the said section the following words, "and shall be liable in an action brought by or in behalf of the Provincial Treasurer for the amount of the said fifty per cent of any such premium."

2. Section 58C, added to said Act by section 4 of chapter 27 of the Statutes of 1904, is hereby amended by striking out the first word thereof and substituting therefor the following words: "In addition to the remedies provided in the last preceding section, any."

3. Section 58D, added to said Act by section 4 of chapter 27 of the Statutes of 1904, is hereby repealed and the following section is substituted therefor:—

58D. The inspector, upon the annual payment of \$25, may issue a license to any person (to be known as a special broker) resident in the Province of Manitoba, subject to revocation at any time, permitting the person named therein to act as agent to procure policies of fire insurance from corporations, persons, partnerships, underwriters or associations which are not registered, licensed or authorized to carry on business in the province of Manitoba. Before any insurance shall be procured under and by virtue of the said license there shall be made, by the licensed agent and the party desiring such insurance, an affidavit which shall be filed in the office of the inspector within fifteen days after the procuring of such insurance. Such affidavit shall have force and effect for one year only from the date thereof, and shall set forth that the party desiring insurance is, after diligent effort, unable to procure the amount required to protect the property sought to be insured from insurance companies duly authorized to carry on business in Manitoba, but such special broker shall not be required to file such affidavit if one relative to the same property has been filed within the preceding twelve months by any other special broker, nor shall any special broker offer any portion of such insurance to any company which is not possessed of cash assets amounting to at least \$25,000, nor to one which has, during the preceding twelve months, been in an impaired condition. 4. Subsection (c) of section 3 of chapter 82 of the Revised Statutes of Manitoba, 1902, is hereby repealed.

Subsection (a) of section 14 of the said Act is hereby amended by adding thereto the following: "and such deposit shall be accompanied by an affidavit of at least two of the principal officers of the company, that the said securities are absolutely the property of the company, and are free from all liens or incumbrances of any nature whatsoever."

6. All sums of money payable to the Provincial Treasurer, under this Act or under "The Manitoba Insurance Act" or any amendments thereof, shall be recoverable by action in the proper court brought in the name of the Provincial Treasurer of Manitoba by his name of office.

7. This Act shall come into force on the day it is assented to.

On page xlvi of the report issued in the year 1905 will be found the clauses of the Act passed in 1904 which are amended by the above Act.

PROFESSOR CHERRIMAN.

It will not perhaps be deemed out of place to record here the death of the first incumbent of the office of Superintendent, which took place at London, England, on the 10th June, 1908. Professor Cherriman was appointed on the first of July, 1875 and after ten years' service was placed on the retired list on the 1st of July, 1885, since which time he has resided in Great Britain. To the officers of companies licensed prior to 1885 he was well and favourably known. During his term of office the whole of the inspection was performed by him in person. He was probably, however, better known as Professor of Mathematics and Natural Philosophy in the University of Toronto, which position he held from April, 1852, until his appointment as Superintendent of Insurance. In his capacity of Professor it is not too much to say of him that he had few equals, and, in the belief of the writer, no superiors. His lectures were masterpieces of clearness, conciseness and accuracy. At the time of his death he had reached the age of eighty-five years.

THE INSURANCE ACT.

In the early part of the last session of Parliament (1907-8) a Government bill was introduced into the House of Commons intituled "An Act respecting Insurance," the purpose of which was to amend the existing Insurance Act by repealing certain of the

SESSIONAL PAPER No. 8

provisions thereof and substituting others therefor, and by making several important additions thereto. The bill, after receiving its second reading was referred to the Select Standing Committee on Banking and Commerce and was there discussed at great length by the members of the Committee and by the Companies and others interested therein or affected thereby. It was not, however, further proceeded with. It is understood to be the intention to take the subject up again at the next session of Parliament, and the undersigned recommends that said bill with such alterations and modifications as appear desirable, having regard to the representations made before said Standing Committee, be re-introduced in the session of 1908-9 with a view to placing on the Statute-book at as early a date as possible an enactment which will be effectual in safeguarding as far as practicable the interests of the insuring public. Such an enactment, it is fully believed, would not be prejudicial, but would rather be in the end beneficial, to the insurance companies.

I have the honour to be, Sir,

Your obedient servant,

W. FITZGERALD,
Superintendent of Insurance.

*The amounts in this column give the *pro rata* of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1907, as provided by the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable surplus as distinguished from *legal* surplus, declaring dividends, impairment of capital and other cognate subjects.

†In December, 1906, the capital stock of this company, which was formerly \$1,000,000, was further increased by an issue of \$500,000 7 per cent. preference stock, subscribed for at a premium of 25 per cent. The total subscribed capital now stands at \$1,400,000, of which there had been paid in up to the date of the return \$1,399,029.79.

‡The capital stock of this company, which had previously been \$500,000 the whole of which was subscribed and \$125,000 paid thereon was by chapter 83 of the Statutes of 1904 reduced to \$250,000, the amount paid up remaining unchanged. An additional \$125,000 was paid in out of surplus in 1905, making the capital fully paid up.

§\$150,000 was paid into the capital stock of this company during the year 1904 and under the provisions of chapter 110 of the Statutes of 1904 the paid up capital was reduced to \$100,000, the same amount at which it stood at the end of 1903. Further calls received during 1907 bring the paid-up capital to \$125,000. The subscribed capital was reduced from \$500,000 to \$250,000, at which it now stands.

SESSIONAL PAPER No. 8

†† In December, 1906, preference stock of this company to the amount of \$500,000 was called in and cancelled, and a new issue of \$100,000 7 per cent preference stock was made at 25 per cent premium. The total capital is now \$2,500,000, fully subscribed.

††† This item includes the sum of \$3,380 claimed by Mr. Hoover to be due him for commission. The company, however, denies liability therefor.

*** Deposit capital.

 † The Home Life Association of Canada have a contract with the Peoples Life Insurance Company under which the Peoples Life insure a renewal commission of 7 $\frac{1}{2}$ per cent of the premium actually collected in respect of Peoples Life policies re-insured by the Home Life or in respect of Home Life policies issued in substitution of Peoples Life policies. This contract expires on August 31, 1915. The Home Life have also a contract with Mr. J. K. McArthur, under which the said McArthur receives as general manager a salary of \$5,000 per annum and a percentage of 3 $\frac{1}{2}$ per cent of the gross actual premiums collected by the Association in each year, the percentage, however, not to exceed \$7,100 in any one year. This contract terminates on October 13, 1920. The Department of Justice is of the opinion that these contracts do not constitute liabilities requiring capitalization as such.

* The amounts in this column give the *pro rata* of gross premiums for the unexpired terms of all policies, of the several companies, in force at December 31, 1907, as provided in the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from *legal* surplus, declaring dividends, impairment of capital and other cognate subjects.

The expenses and commission together amounted to £183,308 5s. 2d., being 34·03 per cent of the premiums, as compared with 34·72 per cent for 1906.

After providing for losses, expenses, bad debts, and for the additional premium reserve (£6,850) required by the increase in premiums during the year, there was a profit on the trading account of £15,681 8s. 11d. Adding to this the interest on the reserve funds, which amounts to £28,709 7s. 5d., there results a profit of £74,390 16s. 4d. Out of this sum the directors have increased the general reserve fund by £10,000, leaving a balance of £64,390 16s. 4d. to be transferred to profit and loss. The premium reserve fund now amounts to £239,850, and the general reserve fund to £510,000, making the total fund in this department £749,850.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1907.

FIRE DEPARTMENT.

The premiums received last year amounted to £1,268,468, showing, in comparison with the premiums of the previous year, an increase of £40,510.

The losses incurred amounted to £622,876, or 49·1 per cent of the premiums. The general average of the experience of the company from the beginning is now 58·7 per cent., or, including its provision for losses on current risks, 61·1 per cent.

The expenses of management (including commission to agents and charges of every kind) come to £444,053, or, 35·0 per cent of the premiums, a ratio 1·1 more than that of the previous year.

The result is that, after charging the account with £634,234, being 50 per cent of the premiums of the year, and crediting it with £613,979, the amount similarly charged in 1906, there remains a credit balance of £181,284 which, as usual, has been transferred to the profit and loss account.

It is proposed to add £100,000 to the fire fund which will then amount to £900,000

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1907.

In the course of the year the company acquired the business of the Pelican and British Empire Life Office, which has been carried on for the benefit of the company since 1st July, 1907. For convenience the life accounts are given for the full twelve months.

SESSIONAL PAPER No. 8

PHENIX OF LONDON—*Continued.*

AMALGAMATION WITH THE PELICAN AND BRITISH EMPIRE LIFE OFFICE.

The sanction of the High Court was given to the amalgamation on the 23rd November, 1907, and the capital of the company was increased as from the 1st January, 1908, in accordance with a resolution of the company passed on the 27th November, 1907, by the creation of 14,286 new shares of £5 each, credited as fully paid up, for allotment to the shareholders of the Pelican and British Empire Life Office under the terms of the provisional agreement.

The total capital of the company is therefore £2,760,230, divided into 53,776 Shares of £50 each with £5 paid, and 14,286 (Pelican) Shares of £5, fully paid. The actual allotment of the latter Shares will be made very shortly. Both classes of Shares will participate equally in the profits realized as from the 1st January, 1908.

RESOURCES OF THE COMPANY.

The resources of the company will be thus constituted on the completion of the necessary formalities:—

Capital paid up.....	£ 340,310
Fire funds:—	
Reserve for outstanding risks.....	£ 650,000
General reserve as at 31st December, 1906.....	300,000
From profit and loss, 1907.....	200,000
Balance of funds transferred from Life Office.....	135,821
	1,285,821
Accident fund.....	12,128
Profit and loss account.....	222,435
	£ 1,860,694
Life assurance funds.....	5,238,164
	£ 7,098,858
Uncalled capital.....	2,419,920
	£ 9,518,778
	£ 9,518,778

FIRE DEPARTMENT.

The fire premiums received, after deducting reinsurances, amounted to £1,498,190 and the losses paid and outstanding to £717,603, or 48 per cent of the premiums. The expenses and commission together amounted to £513,030, being 34 per cent of the premiums. Exclusive of the receipts for interest of £48,439, a profit is therefore shewn in this department of £267,556, making a total of £315,995 to carry to the credit of profit and loss.

PROFIT AND LOSS ACCOUNT.

The balance of this account is £422,435, after writing £40,038, in addition to the investment reserve of £4,034, off the value of the company's investments, other than the life investments, to bring them to the level of market values. In the life department the depreciation in the investments is well covered by the reserve funds and excess value of other assets.

From the balance of profit and loss the directors propose to set aside £200,000 as an addition to the general reserve fund, increasing it to £500,000, leaving to be carried forward £222,435; and out of this latter sum, the directors recommend the payment of a final dividend in respect of the year 1907 of 18s. per share, free of income tax, upon the 53,776 shares of £50, with £5 paid up, forming the capital of the company at the end of the year 1907, which will absorb £48,398. This dividend, with the interim dividend of 12s. per share paid on the 31st October last, makes up a total of 30s. per share for the year.

*The amounts in this column give the *pro rata* of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1907, as provided by the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable surplus, declaring dividends, impairment of capital and other cognate subjects.

†In December, 1906, the capital stock of this Company, which was formerly \$1,000,000, was further increased by an issue of \$550,000 7 per cent preference stock, subscribed for at a premium of 25 per cent. The total subscribed capital now stands at \$1,400,000, of which there had been paid in up to the date of the return \$1,299,029.79.

‡The capital stock of this Company which had previously been \$500,000 the whole of which was subscribed and \$125,000 paid thereon was by chapter 83 of the Statutes of 1904 reduced to \$250,000, the amount paid up remaining unchanged. An additional \$125,000 was paid in out of surplus in 1905, making the capital fully paid up.

§The \$150,000 was paid into the capital stock of this Company during the year 1904 and under the provisions of chapter 110 of the Statutes of 1904 the paid up capital was reduced to \$100,000, the same amount at which it stood at the end of 1903. Further calls received during 1907 bring the paid-up capital to \$125,000. The subscribed capital was reduced from \$500,000 to \$250,000, at which it now stands.

¶In December, 1906, preference stock of this Company to the amount of \$500,000 was called in and cancelled, and a new issue of \$1,000,000 7 per cent preference stock was made at 25 per cent premium. The total capital is now \$2,500,000, fully subscribed.

***This item includes the sum of \$3,380 claimed by Mr. Hoover to be due him for commission. The company, however, denies liability therefor.

****Deposit capital.

*The amounts in this column give the *pro rata* of gross premiums for the unexpired terms of all policies of the several companies in force at December 31, 1907, as provided in the statutes in that behalf. Upon the assumption that adequate premiums have been collected these amounts may be regarded as considerably in excess of the sums which would ordinarily be required to pay the losses to accrue under outstanding risks, a fact which may properly be taken into account in the case of individual companies in considering questions of actual or probable as distinguished from *legal* surplus, declaring dividends, impairment of capital and other cognate subjects.
